24 Incline Village - The Championship Course

In his book "Golf's Magnificent Challenges," Robert Trent Jones describes the Championship golf course at Incline Village as "an example of the ideal mountain golf course." A meandering mountain stream poses strategically placed hazards on 13 of the 18 holes. Carved out of the ponderosa pines in the mountains around Lake Tahoe, each shot poses a challenge framed by towering pines, majestic mountain backgrounds or a breathtaking view of Lake Tahoe. Although the course measures 6,910 yards, the golf ball travels farther in the clean mountain air at the 8,500 foot elevation.

955 Fairway Blvd., Incline Village, NV 89451. 702-832-1146

Designed By: Robert Trent Jones, Sr. **Date Built:** 1964
Golf Pro: Brian Eilders

Directions: 395 south to Highway 431, to Highway 28 south, right on Country Club Drive, you'll see the course!

25 Incline Village - The Mountain Course

For those golfers that are looking for a shorter course to play in less time, Incline Village's Mountain Course combines all the challenge, scenery and beauty of the Championship course into a smaller package. Designed by Robert Trent Jones, Jr., the Mountain course combines 14 exciting par three holes with 4 par four holes for a memorable par 58, 3500 yard course that has hosted the National Executive Course Championship.

Designed By: Robert Trent Jones, Jr. **Date Built:** 1969

**Wildcreek
Golf Course.**

Expect to be surprised at every hole. Be prepared to use every club in your bag.

Variety is the signature of Wildcreek. Course designers, Benz and Phelps pit your skills against rolling meadows and water hazards on the front nine. Then, rise to the occasion for high country golf on the back nine. Call 673-3100 for tee times.

**YOUR TWO BEST COURSES
OF ACTION.**

Northgate Golf Club. Think of Northgate as St. Andrews of the Sierra. "Golf Magazine" named the Benz and Poellot course one of 1989's best new courses in the country.

Northgate ambles through the natural contours of each shot making canyons and arroyos which means tests your strategic and shot-skills. For tee times, call 747-7577.
